Cal-Stewart 2015 Display: Boxcars!!!!

Mike Stella is curating the Cal-Stewart 2015 display of Lionel House Cars: Boxcars we call them today!! His article which appeared in the September/October 2015 *Southwestern Limited* bears repeating. Read on and then come to Cal-Stewart 2015 to enjoy the display and see what you can find on the sale tables to add to your own layout and/or collection of boxcars.

LIONEL HOUSE CARS PART III

The Final Chapter, by Mike Stella

Boxcars, I love 'em. We all know the collectability of the 6464 series boxcars. It took me many years to collect the 29 numbers to complete the series. Then there were the TCA Convention cars to be added and a few more Timken cars from Glen Uhl. Then I discovered "variations"! Different doors create different cars: Single Block, Five Block, Solid Red, Split Door these are just a few of the different doors that make a collectable variation. Different color graphics create new variations: WP with Blue lettering, OR with Red lettering. RI with Blue lettering, OR with Black lettering. Different built dates (Blt.) or the lack of a Blt date adds to the number of variations. My favorite is the 6464-400 B&O Timesaver that comes either Blt 54 OR Blt 56 and very rarely with 54 on one side and 56 on the other! It also comes with NO Blt date at all? A collector must have all 4. Different color paints, different molds, different trucks All create collectable variations. My 29 6464's are only the first of 8 style boxcars. There are 4 different Fire Instruction cars, and 4 different Aquarium cars, along with 8 different Brakeman cars and so on and so on. Every one of the 8 different style boxcars has multiple variations. A 48-foot long Cal-Stewart display table may not be enough! Well, I do not have every variation, but 45 years of collecting I come pretty close.

I cordially invite everyone to attend Cal-Stewart and to point out to me what I am missing. Will give me something to do for the next 45 years! ALSO, I ask those die-hard Lionel Post-War collectors among you to bring your favorite/rare/one-of-a-kind Lionel House Car and share it with us. See YOU at Cal-Stewart 2015.
